YOUR INDUSTRIAL
SOLUTION PARTNER

About Us.

Established in 1982, EGYBRIT has solidified its position as a market leader in Egypt's materials handling, architectural hardware products, industrial doors, and docking systems sectors. Our commitment to excellence, combined with partnerships with globally trusted brands, allows us to deliver the safest, most efficient solutions for our clients. We prioritize safety, reliability, and precision in all our offerings, ensuring the best fit for every working environment.

Vision.

To achieve the highest market share by becoming the premier one-stop shop for construction projects and end users, offering unparalleled quality, comprehensive solutions, and exceptional customer support.

Mission.

To integrate innovative products, empower our team and customers, and drive sustainable business growth through collaboration and excellence in service.

WHY CHOOSE EGYBRIT?

Why Choose EGYBRIT?

0.1

Technical Excellence

We continually enhance our technical capabilities, staying at the forefront of industry innovations.

0.2

Global Partnerships

Our long-standing relationships with leading international suppliers and manufacturers enable us to deliver world-class solutions.

Unmatched Service

From installation to after-sales support, we offer comprehensive services that ensure the long-term success of your operations.

0.3

What We Stand For.

At Egybrit, we are committed to integrating innovation, empowering our team and customers, and driving sustainable growth through collaboration and excellence.

Our vision is to become the leading provider for construction projects and end users by offering unparalleled quality and comprehensive solutions.

Our core values are built on a foundation of knowledge sharing and growth, ensuring continuous learning and development within our team.

Each member is a leader in their field, trusted to deliver with professionalism and integrity.

We also believe in fostering a strong team spirit, where collaboration, mutual respect, and a family-like environment drive our success.

Core Values.

Knowledge Sharing & Growth

Our team thrives on continuous learning through technical training and collaboration. We ensure that knowledge flows across departments, empowering every member to contribute confidently and grow into future leaders.

Leadership by Expertise

Every team member is a leader in their domain, trusted to deliver with professionalism and integrity. With long-standing team loyalty and low turnover, we foster a culture of accountability and excellence.

Team Spirit & Bonding

At Egybrit, we value our people as much as our clients. We cultivate a positive, family-like work environment, with regular team-building activities that strengthen bonds and keep our workplace vibrant and friendly.

Customer-Centric Approach

At Egybrit, our clients are at the heart of everything we do. We pride ourselves on understanding their needs and exceeding expectations with personalized solutions. By fostering long-term relationships, we ensure that our clients' success is our success.

Innovation & Adaptability

In a rapidly changing industry, innovation is key. We embrace new technologies and methods to stay ahead of the curve. Our adaptability allows us to meet the evolving needs of our clients while continually improving our processes for efficiency and effectiveness.

Comprehensive Forklift Maintenance Solutions

Egybrit's maintenance team provides fast, efficient service across Egypt to keep your forklifts and equipment in top condition. With genuine spare parts from three warehouses, competitive prices, and highly trained technicians, they ensure factory-quality repairs. Specialized in battery solutions and equipment customization, Egybrit also offers safety upgrades like cameras and alert systems. Regular maintenance and timely replacement of consumables are key to extending equipment life, ensuring your fleet is always on the move.

Maintenance and After-Sales Services Professional Installation & Dedicated Maintenance:

Specialized team is committed to delivering exceptional customer support. We invest in continuous training to ensure fast, efficient solutions that maximize client satisfaction. Additionally, we offer training for your technical teams and provide expert advice on maintaining and servicing your equipment, ensuring longevity and optimal performance.

After-sales service:

EGYBRIT excels in after-sales support for electronic locks, safes, and fire-rated doors. We offer remote troubleshooting for hotels, maintain a steady supply of spare parts, and ensure precise installation of fire-rated doors in line with international standards.

Our Product Range The Finest Quality and After-Sales Service in the Market

At EGYBRIT, we offer an extensive selection of products, ensuring your facility is equipped with everything it needs:

Materials Handling Equipment: From pedestrian stackers to advanced articulated forklifts and container handlers, we provide solutions that cater to every aspect of your materials handling needs.

Industrial Doors & Docking Systems: Our innovative door solutions are designed for various applications, including high-speed doors, rolling shutter doors, Dock levers, shelters, sectional doors, and sliding gates, ensuring your facility's security and efficiency.

Architectural Hardware: We offer a comprehensive range of hardware components, from glass and timber fittings to hotel room solutions like RFID locks and smart accessories, all designed to enhance the functionality and aesthetics of your space.

Maintenance and After-Sales Services Professional Installation & Dedicated Maintenance
Our highly specialized team is committed to delivering exceptional customer support. We invest in continuous training to ensure fast, efficient solutions that maximize client satisfaction.

Additionally, we offer training for your technical teams and provide expert advice on maintaining and servicing your equipment, ensuring longevity and optimal performance.

Meet our team.

At EGYBRIT, our greatest strength lies in the expertise and dedication of our team. Comprising highly skilled engineers and technicians, each member brings years of experience in materials handling, industrial doors, architectural hardware, and maintenance solutions. Our team's passion for innovation and commitment to excellence ensures that we consistently deliver world-class services tailored to meet the unique needs of our clients. Together, we strive to exceed expectations and uphold EGYBRIT's legacy of leadership in the industry.
